

## How to apply for the specialist pathway (specialist recognition or area of need or both)

### Apply to the AMC for primary source verification

- See how to apply for PSV at the **AMC website**

### Apply to the relevant specialist medical college for assessment

- Download an application form from the college website (specialist recognition or area of need or both)

### Complete your application form

- Attach the supporting documentation including primary medical qualifications
- Ensure your supporting documents meet college requirements i.e. copies of documents are correctly certified, documents are translated into English (if required) by an authorised service
- If you are applying for an *Area of need assessment*, ensure you attach the area of need declaration, position description, offer of employment and location details

### Review your application before you submit

- Supporting documents must be attached and meet the document requirements of the college
- Payment of the fee must be included

*Incomplete applications will result in delays to your assessment and may incur a fee*

### Submit your application to the college

- Incomplete applications will not be progressed

### College confirms receipt of your application

- This is not a confirmation of assessment

### College sends you the assessment outcome

- Your assessment outcome will determine whether you can apply to the Medical Board of Australia for limited or provisional registration or specialist registration
