

Application for non-practising registration

Profession: Medical

Part 7 Division 6 of the Health Practitioner Regulation National Law (the National Law)

This form is for individuals who wish to apply for non-practising registration. You are eligible for non-practising registration if you:

- previously held general or specialist registration as a medical practitioner under the National Law, or
- previously held registration as a medical practitioner under a corresponding prior Act (prior to 1 July 2010 or 18 October 2010 in WA) that was equivalent to general or specialist registration under the National Law

If you are a medical practitioner with current general and/or specialist registration, please go to www.ahpra.gov.au/login to apply for non-practising registration using your online account.

Non-practising registration allows a person to be on the Register of Medical Practitioners and to continue to use the protected title "medical practitioner".

Medical practitioners with non-practising registration must not provide medical treatment or opinion about the physical or mental health of an individual. They are not able to prescribe or to formally refer to other health practitioners. For a definition of practice, see the *Information and definitions* section of this form.

This application will not be considered unless it is complete and all supporting documentation has been provided.

Supporting documentation **must** be certified in accordance with the Australian Health Practitioner Regulation Agency (Ahpra) guidelines. For more information, see *Certifying documents* in the *Information and definitions* section of this form.
