Dear Joanna

Draft revised guidelines *Good medical practice: A code of conduct for doctors in Australia*

The Australasian College of Dermatologists has reviewed the draft-revised guidelines and wishes to provide the following feedback:

1. The sentence '*facilitating safe working hours wherever possible*' at the end of section 11.3.4 is not considered adequate as it is the duty of any persons or employer over working hours to ensure that all working hours are safe.
2. The final version should be circulated to all registered Medical Doctors or colleges, and/or advertised in relevant medical journals/subscriptions and not just made available on the Medical Board of Australia's website.

The college has no other comments or feedback regarding the revised guidelines.

If you require further clarification please contact [REDACTED] at the college offices via email:
[REDACTED] or telephone: [REDACTED]

Kind regards

Acting Chief Executive Officer
